Capital Markets Credit Analysts Society

ERIC CAPPELMANN, is Head of Credit at Nomura Holding America Inc. and is responsible for all North and South American counterparties. His group manages counterparty risk for all industries - including hedge funds, banks, broker-dealers, asset managers, insurance companies, corporates, REITS, and supranationals. Eric chairs the local Credit Committee and is a member of the New Business Review Committee and Investment Banking Commitments Committee.

Eric spent the previous eight years in Bear Stearns's Global Credit department on the Hedge Funds Credit team. At Bear he helped manage a team of counterparty credit analysts responsible for both hedge funds and high net worth individuals. As a Managing Director, Eric was a member of the Global Credit Committee. Prior to Bear Stearns, Eric had various roles during his four years at Bankers Trust and two years at Prudential Securities. He has a MBA in Finance from Fordham University - Graduate School of Business Administration and a BA in Business Management from Franklin & Marshall College.
