JONATHAN HUMMEL is a Director and the Americas Head of Hedge Fund Credit at Deutsche Bank AG. He manages a team of credit officers covering Americas Hedge funds. Mr. Hummel also serves as a member of the Fixed Income Prime Brokerage and Global Finance Risk Committees at Deutsche Bank. His other responsibilities include establishing and overseeing DB's Latin American Hedge Fund Credit team in addition to covering accounts throughout North America. Jonathan joined DB in 2004 as a Vice President covering North American hedge funds. Prior to working at Deutsche Bank, Jonathan held various positions both in Credit and in the Business Intelligence Group at Goldman Sachs. Jonathan holds a BA in Government and Economics from Dartmouth College.
